### Carbon Stock - Superergonomic - for System Tikka T3x

Model: for System Tikka T3x

Barrel contour: INCA

Finish: matt / black

As the name suggests, this stock is ergonomically and design-wise on the cutting edge. The raised cheek piece and pistol grip offer both the hunter and the sport shooter a top class stock. Each stock is placed by hand into the molds prepared for the various weapon systems according to a precisely calculated occupancy plan and cured in autoclaves. Production takes place exclusively in Austria and Germany.

Without monopod.
